

Healthy Generations to Come

In the last six years as a Councilor, for our Nation we have seen progress and growth; within the Lands and Economic Development, infrastructure (Housing, O&M and Administration) and various programs. We worked on obtaining a new water treatment facility, Isolation Covid Centre, Store for the nation, Seven Housing Units, renovations and purchase of new equipment. This is just to mention a few.

Currently, I am nominated for the position of Chief and the common question that is ask to me is why do I want to be Chief of Duncan's First Nation? What constitutes myself as a viable candidate?

I strongly believe in honesty, transparency and fairness with everyone we encounter and work with. I have conducted myself in this manner at meetings, dealing with vendors, joint ventures and our membership. When concerns are brought to my attention, I bring them forward to proper departments. When it comes to making decisions, my approach is what is the best decision for the majority of the membership.

If I am not at the office dealing with the day-to-day business of the Nation, then I am on the road to attend meetings or as a proxy for the current Chief.

Accountability for administration and the membership is equal, that is how we will move forward together. I strongly support our current programs in community and development of other programs. As a Board Member of the Treaty 8 Economic Development Committee; I am very vocal of our Treaty Rights when dealing with the various levels of Government (Federal, Provincial, Municipal and Industry).

We are all on our own healing journeys and I believe in a strong healthy community, once that happens then we can support our membership with their journey. I am looking forward to the challenges of being part of the community to develop growth and culture in our nation.

If you have questions or would like to have a conversation about my candidacy, I can be contacted via email: irvinknottjr34@hotmail.com or by phone 780-625-7581.

On July 19, 2022 I ask for your support by voting for me to be your Chief.
